

Joint VISSW – UDISW 2010 Workshops Schedule

09:00 Welcome and Introduction

09:15 Session 1: Intelligent Ontology-based Query Interfaces

09:15 – 09:35 **Scenarios and Challenges for the Sharing of Event-Indexed Media** (Position paper)
Anthony Jameson

09:35 – 09:55 **Ontology Based Queries – Investigating a Natural Language Interface** (Short paper)
Ielka van der Sluis, Feikje Hielkema, Chris Mellish and Gavin Doherty

10:00 Coffee Break

10:30 Session 2: Intelligent Ontology-based Query Interfaces (cont'd)

10:30 – 11:00 **An intelligent query interface based on ontology navigation**
Enrico Franconi, Paolo Guagliardo and Marco Trevisan

11:00 – 11:20 **Konduit VQB: a Visual Query Builder for SPARQL on the Social Semantic Desktop**
(Short paper)
Oszkar Ambrus, Knud Möller and Siegfried Handschuh

11:20 – 11:40 **Semantic Cloud: An Enhanced Browsing Interface for Exploring Resources in Folksonomy Systems**
(Short paper)
Sandra Siegel, Hidir Aras and Rainer Malaka

11:40 Lunch

13:50 Session 3: User Data Interoperability in the Social Web

13:50 – 14:20 **A User-Centric Approach for Semantic Integration of Social Networking Sites**
Yuan Wang, Jie Zhang and Julita Vassileva

14:20 – 14:40 **Relating Personally Relevant Social Information from Heterogeneous Sources** (Short paper)
João Guerreiro, Tiago Guerreiro and Daniel Gonçalves

14:40 – 15:10 **Synergy: A Workbench for Collaborative Filtering Algorithms on User Interaction Data**
Babar Tareen, Jae-won Lee and Sang-goo Lee

15:10 – 15:30 **An Ontological User Modeling Approach Using Wikipedia's Content for Cross-System Personalization** (Short paper)
Pei-Chia Chang and Luz M. Quiroga

15:30 Coffee Break

16:00 Session 4: Visual Interfaces to the Social Web

16:00 – 16:30 **How Last.fm Illustrates the Musical World: User Behavior and Relevant User-Generated Content**
Ya-Xi Chen, Sebastian Boring and Andreas Butz

16:30 – 16:50 **Gaining Musical Insights: Visualizing Multiple Listening Histories** (Short paper)
Ya-Xi Chen and Dominikus Baur

16:50 – 17:20 **Designing social mobile interfaces: experiences with MobiMood, a mobile mood sharing application**
Karen Church, Eve Hoggan and Nuria Oliver

17:20 Open Discussion

17:50 Close
